# **SERVICE REGULATIONS FOR THE ADMINISTRATIVE AND ANCILLARY STAFF (AAS) OF THE EUROPEAN SCHOOLS APPROVED BY THE BOARD OF GOVERNORS AT ITS MEETING IN LISBON ON 17-18 APRIL 2007**

Changes approved by the Board of Governors of 4 – 7 December  
2018

## **Background:**

Art. 12(1) of the Convention defining the Statute of the European Schools states that the Board of Governors shall “lay down the service regulations for the Secretary-General, the Headteachers, and the teaching staff and, in accordance with Art. 9(1) (a), for the administrative and ancillary staff”.

Art. 22 of the Convention defining the Statute of the European Schools specifies that

“A Staff Committee shall be established comprising elected representatives of the teaching staff and of the administrative and ancillary staff of each school.

The procedures for the election and operation of the Staff Committee shall be determined in the Service Regulations for the teaching staff and for the administrative and ancillary staff provided for in Art. 12(1).”

Accordingly, the Board of Governors set up a working group consisting of representatives of delegations and representatives of the administrative and ancillary staff of the schools to propose a set of such regulations.

After several years of discussion, a final proposal of the working group was approved by the Board of Governors at its meeting in Lisbon on 17 – 18 April 2007 and entered into force on 19 April 2007.

At its meeting in April 2009, the Secretary-General presented to the Board of Governors a review of the results of the application of the Service Regulations for the Administrative and Ancillary Staff.

The Board of Governors mandated the Secretary-General to examine, in conjunction with representatives of the AAS, the possibility of revising certain provisions of the AAS Service Regulations.

A newly composed working group presented in December 2010 amendments to Articles 3.2, 5.5, 7, 22.2, 26, 34 – 36 and 37.2 of the AAS Service Regulations and proposals for a new Article 24 bis and a new Annex 4.

These amendments were approved by the Board of Governors at its meeting on 1 – 3 December 2010 and will enter into force on 1<sup>st</sup> January 2011.

At its meeting on 12 – 14 April 2011 the Board of Governors decided to introduce the new occupational category “SEN-Assistant” and to amend Annex I and II accordingly. The amendment will enter into force on 15 April 2011.

At its meeting on 16 – 18 April 2013 the Board of Governor decided to introduce the new occupational category “Registrar of the Complaints Board” and to amend Annex I and II accordingly. The amendments will enter into force on 1 January 2014.

At its meeting on 3 – 5 December 2013 the Board of Governors decided to facilitate job rotation within the System of the European Schools by amending in particular Articles 5.4, 7.4 and 24 bis. Moreover, the rights of the AAS

representation were further clarified. The amendments will enter into force on 1 January 2014.

At its meeting on 1 – 3 December 2015 the Board of Governors decided to introduce a new Article 23 bis regulating the appointment of a member of the Administrative and Ancillary Staff as an ‘Accounting Officer’. The amendment will enter into force on 1 January 2016.

At its meeting on 4-7 December 2018 the Board of Governors decided to repeal Articles 13.1 and 13.2 and to add Annex 6 to the Service Regulations: ‘*Content of the administrative and management of personal data files*’, in order to comply with the Regulation of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data. The amendments will enter into force as of 1 January 2019.

At the same meeting the Board of Governors gave its approval on the proposed modification of wording for Article 23 bis, with effect as from 1 January 2019.

## PREAMBLE:

The Board of Governors of the European Schools, in conformity with the provisions of Art. 12 of the Convention defining the Statute of the European Schools of 21 June 1994, hereby adopts these Service Regulations for the administrative and ancillary staff of the European Schools.

## Chapter I – General provisions

### Art. 1 Scope

These Service Regulations govern the terms of employment of the administrative and ancillary staff of the European Schools, as defined in Art. 2 below.

### Art. 2 Definitions

For the purposes of these Service Regulations, the following terms shall have the following meaning:

1. **‘Administrative and Ancillary Staff’ (AAS):** any person employed by a European School or by the Office of the Secretary-General not seconded by a member state but appointed by a Director of a European School or by the Secretary-General, to fill a post created by the Board of Governors, excluding those members of staff governed by the **Conditions of Employment for Part-Time Teachers** (as applied to part-time teachers in post prior to 1 September 1994) or by the **Conditions of Employment for Part-Time Teachers in the European Schools** (as applied to part-time teachers recruited after 31 August 1994) and excluding those persons recruited by a Director or by the Secretary-General who, by decision of the Board of Governors, are employed on terms analogous to those of the **Regulations for Members of the Seconded Staff of the European Schools**.
2. **‘Management’** shall mean the Director of a European School or the Secretary-General as far as their respective staff is concerned.
3. **‘School(s)’** shall mean the European Schools and the Office of the Secretary-General.

### Art. 3 Legal status applicable

1. Members of the AAS shall be subject to these Service Regulations, which apply within the framework of the legislation of the host country. The effect of application of these Service Regulations may not be to deprive members of the AAS of the protection afforded to them by the ‘mandatory provisions’ of the host country. If there is any contradiction between the terms of these Service Regulations and the legislation of the host country it is the latter which shall prevail.
2. For the purpose of these Service Regulations, ‘mandatory provisions’ shall mean provisions which the law of the country do not allow to be breached by agreement between parties as well as collective agreements in their respective valid version listed in Annex 4.

3. The management shall be responsible for applying these Service Regulations.

#### Art. 4 Occupational categories and posts

1. The Board of Governors, on a proposal from its Secretary-General, shall have sole responsibility for creating, changing or discontinuing any occupational category.
2. A list of occupational categories and guidelines for the corresponding job descriptions and diplomas and knowledge required appear in Annex 1.
3. The Board of Governors, on a proposal from the Directors and the Secretary-General, shall determine the administrative and ancillary staffing requirements each year.
4. The sole purpose of any appointment shall be to fill a vacancy, subject to the conditions laid down in these Service Regulations.
5. The management may nevertheless use the services of outside staff on a temporary basis, for a maximum period of twelve months, for the purpose of:
  - a) the performance of extraordinary or emergency duties or duties not provided for in Annex 1
  - b) occasional collaboration on the duties of the AAS when the volume of work so requires.

These temporarily employed persons are not subject to these Regulations.

### **Chapter II – Recruitment and appointment**

#### Art. 5 Recruitment conditions and appointment procedure

1. Recruitment shall be aimed at securing for the schools the services of persons fit to perform the duties, with the highest standards of efficiency and integrity and the skills required for the performance of their duties.
2. Members of the AAS shall be recruited irrespective of sex, race, colour, ethnic or social origin, genetic features, language, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability, age or sexual orientation. No posts shall be reserved for nationals of any specific member state.
3. The selection process will be based on the principle of equal treatment of candidates.
4. a) When a vacancy occurs, a notice shall be published by the management, giving details of:
  - the post to be filled and the duties involved,
  - the qualifications recommended in Annex 1 and, where appropriate, relevant experience,
  - the closing date for the submission of applications.

- b) The vacancy notice should invite candidates to outline in their applications the qualities which in their opinion make them particularly well suited to the post.
  - c) The vacancy shall be brought to the attention of the general public by publication of an advertisement in a widely spread media at least two weeks before the closing date for the submission of applications. During the same period the vacancy will also be advertised in all the schools.
  - d) After the closing date for the submission of applications, the management, assisted by a person of its choice competent to judge the candidates and by the AAS representative or by a member of the AAS Committee nominated by the latter, shall evaluate the applications submitted and shortlist the best qualified candidates. The management and assistants will shortlist candidates for interview. The management will decide on the composition of the interview board. A representative of the AAS shall attend as an observer at the meeting of the interview board. Taking account of the views of the interview board, the management shall decide on the appointment to be made. All the candidates will be informed of the outcome of their application.
  - e) The Director shall inform the Administrative Board of the school of appointments made. The Secretary-General shall inform the Board of Governors of appointments involving the staff of the Office.
5. The management may decide to derogate from the provisions in paragraph 4 in cases where the vacancy can be filled with a member of the AAS of the same or another European School holding the same or equivalent occupational category. In such cases the management may decide on a transfer of a person to another function in the interest of the service, if that person has successfully passed an internal selection procedure. Furthermore, the provisions of paragraph 4 may be waived when the post is to be filled on a temporary or a predetermined fixed-term basis.
6. The management shall ensure that all the statutory conditions of the host country for recruitment of staff by an educational institution have been met and that the person recruited is suitable to hold a post in a school.

#### Art. 6    Contract of employment

1. The contract of employment shall be drawn up in writing for an indefinite period in the case of permanent staff and for a fixed period in the case of temporary staff.

The law of the host country will apply in the event of successive renewals of a fixed-term contract.

2. The following must necessarily be mentioned:
- a) the name and address of the contracting parties;
  - b) the date on which the member of staff is to take up the post;
  - c) the duration of the contract;
  - d) the place of work;
  - e) the duties and responsibilities carried by the post to be filled;
  - f) the grading in the occupational category and the remuneration carried;
  - g) the weekly hours of work and timetable;
  - h) the leave entitlement;

- i) the probationary period provided for in Art. 8;
  - j) the period of notice required for termination of employment;
  - k) the applicability of these Service Regulations.
3. The contract will be signed by the management and by the member of the AAS before taking up the post.
  4. The management will give the successful candidate a copy of these Service Regulations, and a copy of the General Rules of the European Schools, before the contract is signed.

Art. 7    Initial grading

1. Successful candidates shall be appointed at the grade corresponding to the post for which they have been recruited.
2. Without prejudice to the paragraphs 3 to 8 they shall be placed at the lowest step on the salary scale for his/her grade as indicated in Annex 2.
3. The management may, in exceptional cases and at the recommendation of the interview board, grant him/her up to two steps above the lowest step in the salary grade in order to take account of his/her education and relevant experience. Moreover, the management may decide in exceptional cases linked to certain occupational categories, which have been identified in advance unanimously by the Administrative Board, to grant up to four steps above the lowest step in the salary grade, in case no qualified candidate could be recruited due to the competitive situation on the local labour market. Any such decision must be communicated to the next meeting of the Administrative Board.
4. Successful candidates who already have a contract of employment with another school in the same or in an equivalent occupational category shall be graded at the step on the salary scale which they had already reached.
5. Successful candidates who already have a contract of employment with another school in the same country in a lower occupational category shall be graded at the step on the salary scale which is the first that carries a salary at least equal to the previous one.

**Art. 8**    **Probationary period**

The first six months shall be regarded as a probationary period. During this period each of the two parties may terminate the contract in writing subject to one month's notice.

**Art. 9**    **End of the contract of employment**

1. The contract of employment shall end only in the circumstances provided for by the legislation of the host country.
2. Where the discontinuance of a post is decided by the Board of Governors, a member of the AAS who cannot be redeployed shall receive what is laid down by the legislation of the host country but never less than an allowance equivalent to one month's basic salary per year of service in the school up to a maximum of three months' salary, the intermediate portion being calculated in twelfths. Where a member of the AAS refuses a reasonable offer of an alternative post, the above allowance shall not be granted.

**Chapter III – Obligations and rights**

**Art. 10**    **Obligation of loyalty**

1. In his/her day-to-day activities, a member of the AAS shall contribute to the fulfilment of the objectives of the European Schools and shall undertake to abide by the provisions governing these schools.
2. A member of the AAS wishing to engage in an activity of a professional nature or to carry out an assignment outside the schools, whether gainful or otherwise, must notify the management. Management shall prohibit the activity/assignment if it is such as to prejudice the member of staff's commitment or to be detrimental to the interests of the school.
3. In the case of a part-time employee, the management must respect the right of the AAS member to supplement the income which he/she earns in employment in the school.
4. A member of the AAS shall carry out loyally the duties assigned to him/her by the management as provided for in the contract of employment and in accordance with the requirements of the service and shall conduct himself/herself solely in the interests of the schools. He/She shall, both during and after his/her period of service, exercise the greatest discretion with regard to all facts and information gained in the course of or in connection with the performance of his/her duties.

**Art. 11**    **Obligation of residence**

A member of the AAS shall reside either at the place where the school is situated or at no greater distance therefrom than is compatible with the proper performance of his/her duties.

Art. 12 Obligation to provide the management with assistance and to make good any damage caused

1. A member of the AAS shall be under the authority of the management of the school and shall be responsible to the latter for performance of the duties assigned to him/her in the interests of the smooth operation of the school.
2. A member of the AAS may be required to make good, in whole or in part, any damage suffered by the school or by a third party as a result of misconduct on his/her part, as defined in Art. 31.
3. Where a member of the AAS incurs civil liability for damage caused either by a pupil in his/her care or to a pupil in the same circumstances, the school's liability shall be substituted for that of the member of the AAS. In the event of professional misconduct and according to its degree of seriousness, the school shall reserve the right to take all appropriate measures against the member of the AAS concerned.
4. The school shall take out adequate insurance to cover its own and its staff's liability in respect of third parties.

Art. 13 Personal file<sup>1</sup> and performance evaluation report

The competence, efficiency and conduct of each member of the AAS shall be the subject of a performance evaluation report drawn up every two years by the line manager and countersigned, when appropriate, by management on the basis of the model in Annex 5. A copy, signed by the management, shall be given to the member of the AAS and a second copy will be kept in his/her personal file. The person concerned shall be entitled to add all comments thereon which he/she deems relevant. The management shall ensure that the views of immediate superiors are taken into account when drawing up the report.

Art. 14 Training

Within available resources the management shall facilitate such further professional training for members of the AAS as is in the interests of the service. Where appropriate, management shall provide assistance.

---

<sup>1</sup> The former Articles 13.1. and 13.2. are repealed and replaced by Annex 6 to the Service Regulations, entitled '*Content of the administrative and management of personal data files*'.

#### Art. 15 Association and representation

1. Members of the AAS shall be entitled to exercise the right of association. They may in particular be members of trade unions or professional associations and may hold office.
2. The members of the AAS of each school shall elect a representative and an alternate every year. Only members of the AAS with at least a two-year contract and in the school's service for more than six months shall be entitled to vote and stand for election. The representative of the AAS of the school shall be a member of the school's Administrative Board. The performance of representational duties shall not be prejudicial to the person concerned. The representative of the AAS cannot be dismissed for reasons inherent to his/her mandate or delegation. The elected representative shall be entitled to two hours' release from normal duties per week.
3. The AAS Committee, made up of one representative of the AAS from each school (elected as specified in Art. 15.2 above), and the Inter-Schools Staff Committee referred to in the Regulations for Members of Seconded Staff of the European Schools – which two committees together shall constitute the Staff Committee referred to in Art. 22 of the Convention defining the Statute of the European Schools – shall designate annually, by common accord, a delegate and his/her alternate, from among the teaching staff, to represent them at meetings of the Board of Governors. The President of the Board of Governors may, however, invite AAS representatives, as experts, to meetings whenever matters of interest or concern to AAS members are to be addressed.
4. The representatives of all the AAS Committees of the schools may meet at the same time and at the same venue as the representatives of the teaching staff to discuss matters of common interest. Where duly substantiated circumstances so require, the Secretary-General may authorise additional meetings to be held, at a venue to be determined by him. Mission expenses shall be reimbursed as provided for in Art. 18 of these Service Regulations.

### **Chapter IV – Working conditions**

#### Art. 16 Hours of work and timetables

1. Full-time members of the AAS shall normally work a 37½-hour week unless the contract of employment specifies otherwise.
2. Without prejudice to 1 above, the management may decide, after consulting the party concerned and the representative of the AAS, to adjust the allocation of working hours of an individual employee in order to bring it into line with local practice and the needs of the school and to draw up certain timetables to reflect the duties to be performed. The additional personal expenditure incurred by a member of the AAS as a result of these timetable adjustments (e.g. transport costs) will be reimbursed by the school.
3. If a member of the AAS, depending on the nature of his/her post, has an incomplete annual work schedule, the management may reduce his/her basic salary *pro rata* in line with actual working time or increase his/her daily hours of work to compensate for the days not worked.

#### Art. 17 Overtime and part-time work

1. A member of the AAS may be required, at the management's request, to work overtime outside normal working hours in emergencies or in the event of exceptional pressure of work.
2. The total overtime which a member of the AAS can be asked to work may not exceed two hours per day, six hours per week or 20 hours per month. If exceptional circumstances make it necessary or if the person concerned agrees, this maximum may be exceeded by half.
3. Overtime worked shall carry entitlement to compensatory leave on the basis of one and a half hours off for each hour of overtime. Where it has not proved possible to grant compensatory leave for overtime, remuneration shall be payable at the rate of 0.923% of the basic monthly salary.
4. The management may authorise, in writing, a member of the AAS to work part-time if he/she so requests. Such authorisation may be granted for a fixed or for an indefinite period and result in a reduction of up to 50% in the hours of work of the member of the AAS concerned. Remuneration shall be adapted *pro rata*.

#### Art. 18 Mission expenses

A member of the AAS holding an appropriate travel order shall be entitled to reimbursement of travel expenses and to daily subsistence allowances in accordance with the same rules as those laid down for seconded staff in their Regulations.

#### Art. 19 Leave

A member of the AAS shall be entitled to the following leave:

1. Annual leave of 30 working days per calendar year, in addition to the official holidays of the European Commission. The management, after hearing the representative of the AAS Committee of the School, will determine the arrangements for implementation of this provision in accordance with the needs of the school and with the General Rules of the European Schools.
2. Leave because of sickness or accident, maternity, paternity or adoption leave and leave to fulfil statutory military/civil obligations, and any other special leave on the occasion, for instance, of family events, will be granted in accordance with the rules applicable in the host country.
3. Paid training leave may be granted to a member of the AAS to enable attendance at the further professional training courses referred to in Art. 14 of these Service Regulations.
4. Leave on personal grounds may, in exceptional circumstances and at the request of the member of the AAS, be granted for a period of one year, if the interests of the service are not adversely affected. Such leave may be granted for two further periods subject to the same conditions. During this period of leave the member of the AAS concerned shall not be paid or receive any related benefits and his/her career advancement shall be suspended.

## **Chapter V – Career**

### **Art. 20 Career structure**

All members of the AAS will come into the career bracket corresponding to the post's occupational category within the grades laid down in Annex 2.

### **Art. 21 Advancement to a higher step**

A member of the AAS who has been at one step in his/her grade for two years shall advance to the next step in that grade, on condition that the results of the evaluation carried out in conformity with Art. 13 are positive. This two-yearly progression shall continue until the last step in this grade is reached.

### **Art. 22 Change of occupational category**

1. A member of the AAS can be transferred from one occupational category to another only by following the appointment procedure in accordance with the provisions of Chapter II of these Service Regulations. The first six months in the new category shall be regarded as a probationary period unless otherwise specified by national legislation. For the duration of the probationary period the post vacated by the person changing category shall be occupied for a fixed term corresponding to the probationary period referred to above.
2. By way of an exception, a member of the AAS may be placed in a higher occupational category without an appointment procedure if the transformation of its post is agreed by the Board of Governors under the normal procedure for the creation and suppression of an AAS post. The member of staff may be moved up into the higher occupational category only if the requirements for the post are fulfilled. Its contract shall be amended accordingly without any change to the other terms and conditions.

### **Art. 23 Temporary holding of posts**

1. In emergencies, and in the interests of the school, a member of the AAS may exceptionally be called upon to occupy temporarily a post in another category, even though its holding requires diplomas and knowledge and skills of a level higher than those of the category to which he/she belongs. This situation may not last for longer than six months. The limit on the temporary holding of a post shall not apply if the purpose is to replace, directly or indirectly, a member of staff on long-term leave.
2. Staff holding such temporary posts shall be paid from appropriations earmarked for this purpose in the school's budget.
3. The member of the AAS concerned shall receive, as from the second month from the start of his/her temporary posting, an allowance (payable retrospectively from the day in which the substitution began) equal to the difference between the remuneration carried by his/her basic step and that corresponding to the basic step of the temporary posting.

### **Art 23 bis Accounting Officer Correspondent**

1. Based on a proposal of the Director the Administration Board of a School may decide to appoint a member of the Administrative and Ancillary Staff as 'Correspondent' to the Accounting Officer as referred to in Article 35 of the Financial Regulation applicable to the Budget of the European Schools. In the

Office of the Secretary-General this decision has to be taken by the Secretary-General.

The appointment can be temporary.

2. The tasks and qualification of the 'Correspondent' are specified in the Financial Regulation and in the corresponding Charter of Tasks and Responsibilities approved by the Board of Governors.
3. When executing these tasks the 'Correspondent' shall be hierarchically subordinated to the corresponding authorising officer, as defined in the Financial Regulation, and subject from a functional point of view to the accounting standards and procedures issued by the accounting officer of the European Schools.
4. Without prejudice to Articles 7 and 21 and Annex II and III of these Regulations Members of the Administrative and Ancillary Staff of the European Schools being appointed as 'Correspondent' shall receive for the duration of their appointment a special allowance equivalent to the value of three steps of their occupational category.
5. Without prejudice to Articles 12, 31 and 32 of these Regulations the member of the Administrative and Ancillary Staff will be subject to the disciplinary framework laid down in the Financial Regulations and in the corresponding Charter of Tasks and Responsibilities approved by the Board of Governors when executing his/her tasks as 'Correspondent'.

#### Art. 24 Occupational Categories

1. Present occupational categories and their related salaries are described in Annex 3 and will continue for those members of staff already in post in conformity with Art. 37.2.
2. Annex 2 describes the occupational categories which will apply in the future. Each Director shall take advantage of each vacancy in the AAS as it arises to ensure that the occupational categories of its AAS conform as quickly as possible with the situation described in Annex 2, by proposing to the Administrative Board of the school the necessary amendments to the organigram of the school and its consequences in terms of salaries.

#### Art. 24 bis Internal Measures

Chapter II and in particular Articles 5, 7 and 8 do not apply in cases of measures within the same or an equivalent occupational category within the system of the European Schools. The management may decide on the transfer of a person in the interest of the service within the same occupational category. The post that is rendered vacant due to the internal movement will be subject to the rules laid down in Chapter II and in particular Articles 5, 7 and 8.

## **Chapter VI – Remuneration**

### **Art. 25 Establishment and adjustment of remuneration**

1. The salary rates for each School applicable to administrative and ancillary staff in post prior to the entry into force of these Service Regulations are those appearing in the relevant entries in Annex 3. The salary rates applicable to administrative and ancillary staff recruited after the entry into force of these Service Regulations are those appearing in the relevant entries in Annex 2.
2. Without prejudice to the provisions of Art. 3.1 above, the salary levels for AAS will be reviewed, every six years, by the Administrative Board of each school, and by the Secretary-General for his/her staff, under the authority of and within prior limits set by the Board of Governors. The first such review will take place in 2012.
3. This review should take all the following factors into account:
  - a) the salary scale for comparable posts in the country in which the school is situated;
  - b) the need to ensure recruitment and retention of suitably qualified staff;
  - c) the salary paid for the same posts in the European Schools in general, taking account of the correction coefficient;
  - d) the budgetary resources/limitations which may be indicated by the Board of Governors;
4. The annual adjustment of the remuneration of the AAS shall follow the annual adjustment made by the Board of Governors to the salaries and allowances of seconded staff unless national legislation provides for a higher level of adjustment.

### **Art. 26 Emoluments**

In accordance with this chapter and save as expressly provided otherwise, a member of the AAS shall be entitled to the remuneration carried by his/her grade and step. This remuneration shall comprise:

- a) basic salary as laid down for each grade and each step, determined by the management in accordance with Art. 25;
- b) payment for overtime, as laid down in Art. 17;
- c) allowances as laid down in these Service Regulations or in 'mandatory provisions' of the host country as defined in Article 3.2.

### **Art. 27 Overpayments**

Any sum overpaid shall be refunded if the recipient was aware that there was no due reason for the overpayment or if the fact of the overpayment was patently such that he/she could not have been unaware of it. When the amount to be recovered exceeds the basic salary paid monthly, repayment of the amount due may be made in instalments. Should the annual adjustment of remuneration show that excessive amounts were paid, the overpayments for the corresponding period must be recovered.

### **Art. 28 Taxes and statutory social insurance contributions**

The remuneration of the members of the AAS shall be subject to national tax and social insurance legislation.

## Chapter VII – Social security

### Art. 29 Cover

1. Members of the AAS shall be insured against the risks of sickness, accident, unemployment, invalidity and death in accordance with the legislation of the host country.
2. In addition to the insurance taken out by the schools a member of staff is insured, from the date of his/her entering the service, against the **RISK OF OCCUPATIONAL DISEASE AND OF OCCUPATIONAL ACCIDENT**.  
Members of the AAS shall contribute to the cost of insuring against non-occupational risks, this contribution being compulsory.  
The insurance policy shall specify which risks are not covered.
3. In the event of the death of a member of the AAS, the surviving spouse or the dependent children shall receive the deceased's full remuneration until the end of the third month after the month in which the death occurred.

### Art. 30 Other welfare benefits

1.
