Decisions of the meeting of the Board of Inspectors (Secondary) of 5 February 2019 – Brussels

Approved by the Greek Presidency 2018-2019

III.C. EUROPEAN BACCALAUREATE

1. Quality Assurance of the 2019 European Baccalaureate written and oral examinations – Procedure (2019-01-D-2-en-1)

The Board of Inspectors (Secondary) approved the document on the quality assurance procedure for the 2019 European Baccalaureate written and oral examinations. It would be sent forward to the Joint Teaching Committee for its information.

2. Quality Assurance of the 2019 European Baccalaureate written examinations (2019-01-D-4-en-1)

The Board of Inspectors (Secondary) approved the document, subject to any requests for changes sent by the Inspectors after the meeting.

Because of a shortage of human resources, the Language 2 and Advanced Language 2 Working Group would be granted extra time. Information about those two subjects would need to be communicated to the European Baccalaureate Unit not later than before the Board of Governors' April 2019 meeting.

The document would be sent forward to the Joint Teaching Committee for its information.

3. European Schools' Criteria for the Assessment of the 2019 Baccalaureate Oral Exams (2019-01-D-3-en-1)

The document was approved subject to incorporation of the changes requested during the meeting and to filling in by the Inspectors responsible of any missing information and its communication to the Baccalaureate Unit.

III.D. PEDAGOGICAL RULES/STANDARDS

1. Examinations and tests leading to official marks in the secondary cycle – Status and follow-up on the question (2019-01-D-30-fr-1)

Some members of the Board of Inspectors (Secondary) were of the opinion that the regulations for year S6 ought to be aligned on those for year S7, those two years both forming part of the Baccalaureate cycle.

The Board of Inspectors (Secondary) endorsed the proposals made in the document and mandated the 'Assessment Secondary' Working Group to complete this work, bearing in mind that point 1 (arrangements for examinations and B tests in S4 and S6) was a priority.
