Decisions of the meeting of the Board of Inspectors (Nursery and Primary)

Meeting of 5 February 2019 – Brussels

III.F. OTHER ITEMS

1. **Proposal for a common topic for professional development in the Nursery/Primary cycle in the European Schools: Follow-up report (2019-01-D-42-en-1) L. VAN DEN BOSCH**

The Board of Inspectors (Nursery and Primary) supports this proposal. Nevertheless, a final decision could not be taken because the Working Group (WG) “Continuous Professional Development” has been mandated by the JBI. Therefore, the proposal of creating the WG *Subgroup CPD ‘We live learning’* must be presented to the JBI for their approval especially if the intention is to extend this project to secondary cycle. Consequently, the decision should be taken by the JBI and not by the Board of Inspectors Nursery and Primary (BIP). The BIP decides to transmit the proposal to the JBI in October for final decision.

2. **Strengthening children’s language awareness in the Nursery cycle of the European Schools (2019-01-D-62-en-2) D. MUSILOVA**

The Board of Inspectors (Nursery and Primary) supports this proposal. Nevertheless, a decision could not be taken for the time being. Language Awareness being part of the *Proposal for a Language Policy in the European Schools* (Ref: 2019-01-D-35-en-1 – Annex I of 2019-01-D-19-en-1), this policy needs to be approved first by the Board of Governors. Therefore, the BIP decides to postpone his final decision pending the decision of the BoG relative to the Proposal for a Language Policy. In the case of the decision is favorable, the BIP gives mandate to the EEC WG as expressed in the document.
