1. **Follow-up and Revision of the Assessment System in the Primary Cycle of the European Schools - 2020-09-D-27-en-2 - D. MUSILOVÁ**

The BIP approved, with immediate entry into force, the proposed amendments to the document 'Follow-up and Revision of the Assessment System in the Primary Cycle of the European Schools' – 2020-09-D-27. The document would be submitted for information at the meeting of the JTC, which would take note of the decision adopted by the BIP. It should be noted that the evolution of digital tools should be monitored, that harmonisation in classroom use of tools that were user-friendly, and thus easy for teachers and pupils to use, should be encouraged and that great vigilance should be shown as regards compliance with the GDPR and its application in the Schools.
