

COMMUNIQUE FROM THE CENTRAL ENROLMENT AUTHORITY
CONCERNING THE SATELLITE CLASSES
CREATED AT THE EUROPEAN SCHOOL, BRUSSELS I – BERKENDAEL SITE

On account of the influx in applications received during the first enrolment phase for the 2018-2019 school year and in accordance with the provisions of Article 3 of the Policy on Enrolment in the Brussels European Schools for the 2018-2019 school year (2017-12-D-5-en-3), additional satellite classes are to be created at the nursery level at the European School, Brussels I – Berkendael Site at the beginning of the 2018-2019 school year in September 2018.

These satellite nursery classes concern the following L1s: DE, EN, IT, ES and EL*.

In so far as this offer of additional places constitutes a new element in the handling of applications for enrolment in the classes concerned, pupils' legal representatives will be able to request a review of the decision of which they will be notified by the Central Enrolment Authority as from 27 April 2018, solely if they are seeking the award of a place at the European School, Brussels I – Berkendael Site in the newly created classes. The review request will be accepted only on condition that there is a place to be filled.

These review requests must be submitted within two weeks at the latest of receipt of the Central Enrolment Authority's decision on the enrolment application, failing which they will be inadmissible. In addition, they must be submitted by email, in reply to the email containing notification of the Central Enrolment Authority's decision.

Submission of a review request suspends the time period allowed for the lodging of an appeal until such time as the Central Enrolment Authority has reached its decision on the review request.

This communication has been published on the European Schools' website and exempts the Central Enrolment Authority from any obligation to send individual notification to applicants.
