Question n°2

I think there is a problem in the file as it seems that the Technical description (column B) and the Designation of the equipment (column A) doesn't match.

For example:

Line 38:

- Designation: Electric compressor "special balloon".
- Technical description: Ball in the shape of a javelin that can move at very high speed. The ball can reach distances of about 100 m and hits the target safely. No whistle - Dimensions: Approx. 35 x 19 x 10 cm - Approx. 120 gr

May I ask you to check the file and let us know when updated.
