

Questions :

1. Will the tender follow the laws of Belgian law?

The insurance contract can be issued according to Italian law.

Nevertheless, and this is applicable for all insurers, international private law will determine the legislation which is applicable on each claim file specially.

2. Is it possible to submit an offer only for one school?

It is mandatory to quote price proposal for every insured entity

3. Is there a maximum amount of reimbursement for medical costs after an accident/decease? (after a first reimbursement by e.g. the mutuality) (lot 3)

There is a limit "medical costs" of EUR 10.000 per accident and per person, without a limitation in time.

4. Would it be possible to send us a census list of all insured persons, including their date of birth, gender, location (school), nationality or home country and gross annual salary (one line per insured containing this information) (lot 3)

This information is not available at this time.
