# What is DOCEE?

**DOCEE is:**

a platform for **sharing** documents  
between the OSG and the members  
of **meetings**.

# Version 7: what's changed?

## Summary for users already used to previous version

- The login URL is now: <https://docee.eurisc.eu>.
- The way you log in has changed: see on [page 5](#).
- The layout of the pages has changed, but how it works has remained the same.
- Some default settings have changed, e.g. now the documents are presented in descending date order: the most recent documents are visible above the 1st page.

Many settings can be changed to your own taste: click on username at the top right of each page > **'My Preferences'**.

- It is no longer necessary to use double quotation marks ("") to search for a document reference number.
- Old alerts (sending an automatic email with a list of new documents or recently modified documents) could not be retrieved. You can easily take out new subscriptions as needed - see how on [page 13](#).

# Finding a document

2/2

1. In the tree structure (left-hand side of the screen), click on the name of the folder you wish to search. To search the entire archive, click on '**Folders**' at the top.
2. Click on "Search documents" at the top right.
3. A search screen appears. Fill in one or more fields as required:

❖ 'Title' field: enter a **word from the title** or the **reference number of the document** you are looking for.

**Use double inverted commas for an exact search. Example: "annual report".**

**Use \* as a wildcard. Example: school\* to get school OR schools.**

❖ 'Global Search' field: search the entire document (full text indexing). The box

at the top right of each page is another more direct way to perform a full text search..

4. Click on the '**Find**' button to view the search results. If there are many results, they are displayed on several pages. By default, the documents are **sorted by Date in descending order**.

## Optimising search results

Not all metadata has been completed for all documents.

If a search does not produce any results or if the result is not the one expected, it is advisable to reduce the number of search keys.

*For example:*

The language of a document may not have been specified in the 'language' field, whereas it is usually specified in the document reference number that can be found in the 'title' field.

If the search title = 2009-D-511 and language = en does not give any results, try again with title = 2009-D-511-en.

If the search title = 2009-D-511-en does not give any results, try again with title = 2009-D-511.

# Processing documents 1/3

The documents listed on the right-hand side of the screen can be read, saved, printed and sent by email.

The screenshot shows a web interface for document management. On the left, there is a tree view of folders including 'COMITE\_BUDGETAIRE', 'COMITE\_PEDAGOGIQUE\_MIXTE', 'COMITE\_PEDAGOGIQUE\_PRIMAIRE', 'COMITE\_PEDAGOGIQUE\_SECONDAIRE', 'CONSEIL\_INSPECTION\_MIXTE', 'CONSEIL\_INSPECTION\_MIXTE\_NON', 'CONSEIL\_INSPECTION\_PRIMAIRE', 'CONSEIL\_INSPECTION\_PRIMAIRE\_N', 'CONSEIL\_INSPECTION\_SECONDAIRE', and 'CONSEIL\_INSPECTION\_SECONDAIRE'. On the right, a list of documents is displayed. Each document entry includes a language icon (en or fr), a document format icon (PDF, Word, or DOCX), and the document title. A yellow box highlights the document format icons for the first document: '2020-09-D-10-en-3 Distance Teaching and Learning Policy for the European Schools'. Other documents in the list include '2020-10-D-18-fr-2 Données sur la rentrée scolaire 2020-2021 des Ecoles européennes', '2020-11-D-11-en-2- Renewal of the Mandate and the Composition of the Steering Committee of the Eur...', '2020-12-D-5-fr-2 Décisions de la réunion élargie du Conseil supérieur des Ecoles européennes', '2020-09-D-76-fr-3 Dossier d'intérêt général - École européenne agréée à la Ville de Luxembourg (LU)', '2020-09-D-54-fr-3 Dossier d'intérêt général - École internationale Anne Beffort Mersch (LU)', '2020-09-D-31-en-4 Dossier allgemeinen Interesses ? École internationale Anne Beffort Mersch (LU)', and '2020-09-D-30-fr-3 Konformitätsdossier, S6-S7: European School Copenhagen (Dänemark)'.

*NB. Several methods to perform the same action coexist, we will illustrate only one of them.*

## How to subscribe?

Move around the DOCEE tree (left-hand side of the screen) and select the folder you wish to subscribe to.

**Right** click '**Subscribe**'.

- whether you want the alert to be for new files published ('**New since last run**') or for new and modified files ('**New or modified since last run**'). The 'All' option is not recommended.

There is no limit to the number of subscriptions that can be taken out.

NB. As soon as a document is published, it is available for consultation, but e-mail alerts are only sent the next morning.

## Managing subscriptions

To edit your subscriptions or unsubscribe, click on your username at the top right of the screen > '**My Preferences**' > tab '**Subscriptions**'. If you can't see it, you have no subscription.

The 2 icons on the right allow you to modify or delete a subscription.
